

DERWENT WAY PROPOSED SOIL LOADING & BARGE FACILITY

Facilitated Digital Public Consultation

Summit Earthworks (Summit) will be holding facilitated digital public consultation sessions regarding its proposal to construct and operate the 'Derwent Way Soil Transfer and Barge Facility' located on the corner of Derwent Way and Salter St. in New Westminster. The facility would receive waste soils from development sites which would be temporarily stockpiled before being transported by barge to a permanent treatment/disposal facility. The proposed project is currently being reviewed by the Vancouver Fraser Port Authority under their Project and Environmental Review process. These sessions are further to an on-line public comment period undertaken in 2017.

Consultation Format

Given the continued COVID-19 restrictions regarding in-person gatherings and physical distancing – and to ensure we protect the health and safety of everyone – this public consultation will be done digitally using the Zoom technology.

Facilitated Digital Public Consultation Session Schedule

SESSION #1 » Tuesday, June 23, 2020, 5:30 p.m. – 8:40 p.m.

Part A will be a Zoom meeting from 5:30 p.m. – 7:00 p.m.

Part B will be a separate Zoom meeting from 7:10 p.m. – 8:40 p.m.

SESSION #2 » Thursday, June 25, 2020, 5:30 p.m. – 8:40 p.m.

Part A will be a Zoom meeting from 5:30 p.m. – 7:00 p.m.

Part B will be a separate Zoom meeting from 7:10 p.m. – 8:40 p.m.

To **register** for this digital consultation – and to find more information on the proposed project and other ways to provide input – go to www.summitearthworks.ca/derwent-way.

The deadline for public comments is July 06, 2020.
